**BUSINESSES ACROSS  
CLARK COUNTY  
ARE OPEN!**

Help keep us open  
by setting a date to vaccinate.

- It's your best protection from severe illness due to COVID 19.
- A simple vaccine also protects your family. Your kids. Your coworkers.
- Vaccines are free and widely available at clinics and pharmacies.
- If you are fully vaccinated, THANK YOU!
- If not, go to [www.KeepUsOpen.us](http://www.KeepUsOpen.us) to learn more.

**PLEASE DO YOUR PART TODAY. SET A DATE TO VACCINATE.  
LET'S BRING AN END TO THIS PANDEMIC.**

**THESE BUSINESS LEADERS THANK YOU!**
